Required internet connector
to view last 20 activities.

This Privacy Policy governs the manner in which D3 Solutions collects, uses, maintains and discloses information collected from users (each, a "User") of the www.d3solutions.com.sg website ("Site"). This privacy policy applies to the Site and all products and services offered by D3 Solutions.

Personal identification information

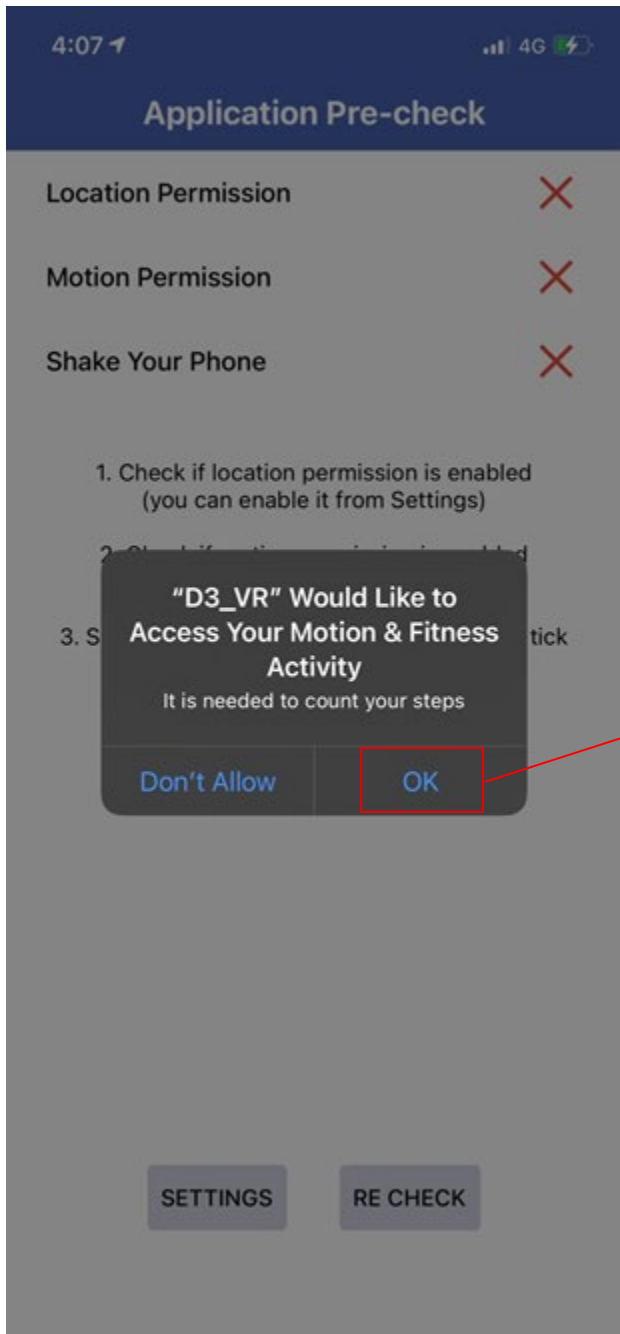

We may collect personal identification information from Users in a variety of ways, including, but not limited to, when Users visit our site, register on the site, and in connection with other activities, services, features or resources we make available on our Site. Users may be asked for, as appropriate, name, email address, mailing address, phone number, credit card information. Users may, however, visit our Site anonymously. We will collect personal identification information from Users only if they voluntarily submit such information to us. Users can always refuse to supply personally identification information, except that it may prevent them from engaging in certain Site related activities.

Non-personal identification information

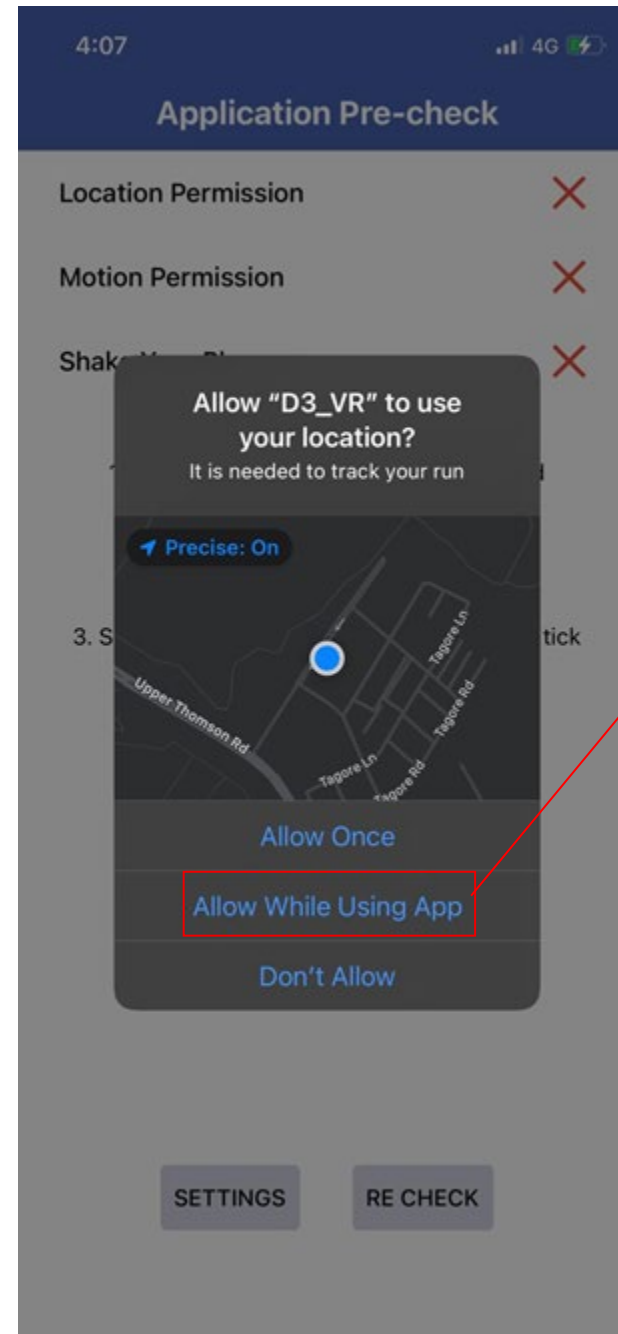

We may collect non-personal identification information about Users whenever they interact with our Site. Non-personal identification information may include the browser name, the type of computer and technical information about Users means of connection to our Site, such as the operating system and the Internet service
